## GT RADIAL EMPOWERS YOUNG DRIFTERS

On June 1, 2025, the Sentul Ottopark track roared with adrenaline as the National Championship Passion Drift Challenge Series 1 kicked off. GT Radial proudly took part as a committed supporter of young talents in Indonesia's professional drifting scene.

GT Radial supported top racers from two elite teams: Rofbel Sahroni of Team ASC, and Kingston and Firo of Team AKUMA. Both teams delivered thrilling performances using GT Radial Champiro SX-R and SX2 tires—tires known for their exceptional durability, high grip, and control under extreme drifting conditions.

The spotlight shone on young talent Rofbel Sahroni, who claimed 1st place in the Pro 2 class. His victory reflected the perfect

combination of driver skill, team coordination, and the performance edge provided by GT Radial tires.

By supporting this event, GT Radial strengthens its presence in motorsports while continuing its mission to nurture the next generation of racing champions.

## **GT RADIAL SUPPORTS SKIN NATIONAL JAMBOREE 2025 AT BUPERTA CIBUBUR**

Hundreds of Suzuki Katana and Jimny enthusiasts from across Indonesia united at the SKIn (Suzuki Katana Jimny Indonesia) National Jamboree 2025, held June 21–22 at BUPERTA Cibubur. With the theme “Ngeloneng Bareng”, this festive gathering brought together over 500 members in a celebration of community and off-road passion.

More than just a meet-up, the Jamboree represented solidarity and admiration for Suzuki’s legendary 4x4 vehicles. Activities such as fun off-road, vehicle contests, bazaars, and live music enlivened the event.

GT Radial proudly participated to support this strong community spirit and deepen its connection with off-road enthusiasts. As part of this momentum, GT Radial aims to boost awareness of its 4x4 product lineup—Savero M/T Pro and Savero A/T Pro—among SKIn members who value performance, reliability, and style in their adventures.

This initiative reaffirms GT Radial's commitment to Indonesia's automotive culture by supporting grassroots communities and promoting a sustainable, passion-driven ecosystem.

## **GT RADIAL SUPPORTS TGRI'S DOMINATING VICTORY AT AUTOKHANA SLALOM SERIES 1**

Surabaya, June 21, 2025 — The Autokhana Slalom Series 1 kicked off at Taman Hiburan Rakyat (THR) Surabaya with thrilling action and fierce competition from national racers. The event drew crowds of automotive enthusiasts and marked a strong start to the 2025 national slalom championship.

Toyota Gazoo Racing Indonesia (TGRI) dominated the event, securing first-place finishes in six prestigious categories: Group F, Modified Team F, A3, Team A, Tandem, and Women's Class.

TGRI's standout performances came from Anjasara Wahyu, who clinched first in Modified F Class with consistent, precise maneuvers, and Alinka Hardianti, who triumphed in the Women's Class with her skilled performance behind the wheel.

GT Radial is proud to be part of this success, powering the team with its high-performance Champiro SX2 and GTX Pro tires—delivering superior grip, acceleration, and control on the demanding slalom track.

GT Radial's support reaffirms its commitment to Indonesian motorsports and its mission to build brand awareness among racing fans nationwide.

## **GT RADIAL SUPPORTS THE FESTIVE NATIONAL JAMBOREE OF SUZUKI KARIMUN CLUB INDONESIA 2025 IN CIKARANG**

Hundreds of Suzuki Karimun enthusiasts from across Indonesia gathered for the Suzuki Karimun Club Indonesia (SKCI) National Jamboree 2025, held on June 28 at Orange County, Cikarang. This event was more than just a gathering—it was a celebration of creativity, unity, and automotive passion.

The Jamboree featured vibrant activities including a Karimun Decal Contest, interactive games, attractive door prizes, and sponsor activations. The warm and familial atmosphere reflected the strength of the SKCI community, as participants proudly showcased their modified vehicles and exchanged inspiration across generations.

GT Radial proudly supported this event as an active sponsor, taking the opportunity to connect with Karimun drivers and introduce its latest tire innovations and quality offerings tailored to Indonesian drivers.

This participation reflects GT Radial's commitment to building stronger connections with automotive communities and supporting the growth of Indonesia's automotive culture. Events like these serve as valuable platforms to strengthen brand presence and engage directly with loyal users across the archipelago.

## **GT RADIAL JOINS CALYA SIGRA ECO EVENT**

On June 28–29, 2025, the Megamendung area of Bogor became the stage for Calya Sigra Speak Up Day Part 2 – FOR 3 GO, a collaborative event uniting automotive passion with environmental responsibility. Carrying the theme “Go Clean, Go Green, & Go Aesthetic”, the event encouraged real, sustainable actions for a better planet.

The program featured a variety of impactful activities including environmental clean-ups, waste management education, greening efforts, and a creative competition inspired by nature aesthetics. More than just a community gathering, the event served as a platform to raise awareness on the importance of eco-friendly lifestyles among automotive enthusiasts.

GT Radial proudly supported the event, reinforcing its commitment to sustainability and responsible automotive culture. By participating in initiatives like this, GT Radial not only engages with loyal users but also promotes positive change within the industry.

This involvement highlights GT Radial's ongoing dedication to supporting both community development and a sustainable future for Indonesian motorsports.

## **IDS ROUND 2: GT RADIAL POWERS LOCAL DRIFTERS IN SEMARANG**

The excitement of drifting returned in full force at Indonesia Drift Series (IDS) Round 2, held on June 28–29, 2025, at the Mijen Circuit, Semarang. As one of the nation's most prestigious drift events, top drifters from across Indonesia battled for podium positions on a technically demanding track

Among the standout performers, Kingston Romeo from Akuma Team took 1st place in the Pro Class, showcasing precision and control throughout. In the Pro 2 Class, Rofbell Sahroni from Team ASC Monster earned a hard-fought 2nd place, thrilling the audience with his competitive edge.

Both drivers relied on GT Radial tires throughout the

competition—proving the strength, grip, and reliability of Indonesian-made tires on the professional drift stage.

GT Radial is proud to support Indonesia's motorsport talents, providing not only high-performance products like Champiro SX2 but also full backing for rising stars in the drift scene. This initiative reflects GT Radial's long-term commitment to grow the motorsport ecosystem and elevate brand presence on both national and international stages.
