GT RADIAL AND DAIHATSU OFFICIALLY SEND OFF MUDIKAHAGIA 2026 PARTICIPANTS

Without the tradition of mudik, the celebration of Eid al-Fitr would feel incomplete. Mudik has become a cherished annual tradition for Indonesians to reunite and share joyful moments with their loved ones. On March 7, 2026, this spirit of togetherness was brought to life at ADM Part Center, Cibitung, through the “Mudik Bahagia Bersama Daihatsu” program, which was created to accompany participants on their journey home, ensuring a trip that is safe, comfortable, and full of happiness.

In this program, GT Radial played a major role as the main sponsor, providing significant support to ensure the successful execution of the event. In collaboration with Astra Daihatsu Motor (ADM), GT Radial contributed actively to vehicle readiness and

travel safety for participants representing 21 Daihatsu communities, demonstrating its strong commitment to driving safety and mobility support during the festive season.

Through its active involvement as the main sponsor, GT Radial not only contributed to the success of this year's Mudik Bahagia program, but also reaffirmed its commitment to continuing close cooperation and support for future Daihatsu activities. This long-term partnership reflects a shared dedication to delivering positive initiatives that bring real benefits to customers and the wider Indonesian community.

GT RADIAL TAKES THE LEAD AS MAIN SPONSOR OF SUZUKI BENGKEL SIAGA 2026

Suzuki once again presents the Suzuki Bengkel Siaga 2026 program to support customer safety and comfort during the Lebaran homecoming season. On March 11, 2026, at Gedung Usmar Ismail, Jakarta, a ceremonial send-off was held for the Suzuki Bengkel Siaga Team, marking the readiness of 61 Suzuki dealers across Jabodetabek, Java, Sumatra, and Bali to provide vehicle inspection services and emergency support for travelers.

In this program, GT Radial plays a crucial role as the main sponsor, delivering full support to enhance vehicle performance and ensure travel safety. GT Radial's contribution significantly strengthens the Suzuki Bengkel Siaga services through the presence of high-quality, reliable tire products designed for long-distance journeys.

Through this support, GT Radial reaffirms its commitment to continuing close collaboration and actively supporting future major Suzuki initiatives, as part of a long-term synergy aimed at delivering the best services and programs for Suzuki customers across Indonesia.

GT RADIAL'S COMMITMENT WITH SUZUKI AT THE SUZUKI TECHNICAL CONFERENCE 2026

The Suzuki Technical Conference Lombok 2026 was once again held on March 30, 2026, in Lombok, Indonesia, for the Bali, NTB, and NTT regions. This annual event serves as a strategic platform for Suzuki Indonesia to bring together technical teams from various areas to discuss developments in the automotive industry, as well as the latest advancements in Suzuki's technology and products.

As a trusted OEM partner that has long collaborated with Suzuki, GT Radial demonstrated its strong commitment and full support for the Suzuki Technical Conference 2026. GT Radial's participation reflects a continued synergy between vehicle manufacturers and supporting industries, particularly in efforts to

enhance mechanic competencies, improve technical service quality, and ensure consumer safety.

On this occasion, the GT Radial team actively contributed by delivering technical training and tire-related materials to mechanics from Suzuki-authorized workshops and dealer networks, held at Hotel Raja Kuta, Lombok, NTB. Through this session, GT Radial played an important role in strengthening technical knowledge and skills among mechanics, enabling them to provide more accurate, safe, and high-quality services, while reinforcing GT Radial's position as a strategic partner supporting human resource development and the advancement of Indonesia's automotive industry.
