GT RADIAL CELEBRATES STELLAR VICTORY IN THE GRAND FINALE OF THE 2023 AUTOKHANA NATIONAL CHAMPIONSHIP

Crowning National Champions

The final round of the MLD Spot Autokhana National Slalom Championship came to an exhilarating close on Saturday evening, October 21, 2023, at the Sport Center Arena in Bandung, West Java. Witnessed by a captivated audience of thousands, the event culminated in the crowning of national champions across multiple classes and categories. A particularly gripping duel unfolded in Class F (Modified) where two stalwarts of the Toyota Gazoo Racing Indonesia (TGRI) team faced off. Ultimately, it was Anjasari Wahyu from TGRI who clinched the championship title for Class F. In an impressive finale, Anjasari Wahyu

bested competitors Adrian Septianto HRVRT, Demas Agil RART, Herdiko TGRI, and Adrianza Yunial TGRI.

Esteemed Sponsors and Special Guests

Made possible by the generous support of MLD Spot, GT Radial, TMO, and other esteemed sponsors, the event was masterfully orchestrated by Genta Auto and Sport. Featuring two preliminary heats and a night-time final heat on a concrete track, the championship consistently draws significant attention from the Bandung community, attracting a total of 160 starters this season. Adding to the grandeur of the occasion, Ananda Mikola, Deputy General Chairperson of the Central IMI for car sports, graced the event. Accompanied by Gerry Rosanto, Chairman of the Central IMI Slalom Commission, Mikola took the opportunity to commend the exceptional organization by promoter Genta and to acknowledge the palpable excitement among spectators and participants alike.

GT RADIAL CHAMPIRO SX-R PROVES DOMINANT, SECURING TGRI'S SWEEPING VICTORY IN ISSOM'S 5TH ROUND

A Testament to Unmatched Quality

In an electrifying showdown at West Java's famed Sentul Circuit during the 5th round of the 2023 Indonesia Sentul Series of Motorsport (ISSOM), Toyota Gazoo Racing Indonesia (TGRI) emerged as the undisputed champions, all thanks to the unparalleled performance of GT Radial's Champiro SX-R tires. Not only did TGRI seize the 1,200cc podium with their blazing New Agya GR, but they also clinched victory in the fiercely competitive 1,600cc class with their Yaris GR Sport. This remarkable win serves as the cherry on top of TGRI's already illustrious 2023 season, having recently claimed the National Autokhana Championship.

Race-Day Domination: Unrivalled from Start to Finish

The Yaris GR Sport, piloted by the indomitable Haridarma, left the competition in the dust, delivering a masterclass in racing from the first practice lap to the final victory lap. Clocking an awe-inspiring fastest time of 01:49.398, they effortlessly secured pole position and bagged an invaluable extra point. Not to be outdone, the Agya GR Sport, with racers Jordan Johan and Amato at the helm, showed their mettle right from the practice sessions, setting blistering lap times. The duo's dominance was further solidified in the qualifying rounds, as Jordan seized the P1 position and Amato closely followed at P2.

GOODTIRE THAILAND WITNESSES COMMITMENT TO EXCELLENCE AT GT PROVING GROUND

On October 31, 2023, GoodTire Thailand was invited to an exclusive tour of PT Gajah Tunggal Tbk's state-of-the-art Proving Ground in Karawang, further solidifying the robust partnership with GT Radial. This pivotal visit, featuring 37 leading representatives from GT Radial's distribution network in Thailand, was more than just a routine inspection visit; it was a testament to GT Radial's unwavering commitment to producing high-quality tires that are trusted and exported to over 130 countries worldwide.

The representatives had the opportunity to assess the performance of GT Radial's diverse tire lineup, including the

robust SAVERO SUV, the eco-friendly CHAMPIRO ECOTEC, the all-terrain SAVERO A/T PRO, and the high-performance CHAMPIRO SX-2, under a variety of road conditions. The hands-on experience at the Proving Ground showcased the meticulous testing that GT Radial tires undergo to meet international standards of quality and safety.

Exhilarating Taxi Drift Experience

The visit reached an adrenaline-pumping crescendo when the GoodTire Thailand team was treated to a thrilling Taxi Drift event, courtesy of GT Radial's team of professional drifters: Billy Anjewa, Ayuni, and their coach Ricardo Valentino Ratulangi. The showcase wasn't merely a display of tire durability and control but also a vivid demonstration of GT Radial's passion for motorsports. Overwhelmed with excitement, representatives from GoodTire Thailand eagerly participated in the Taxi Drift, embracing the high-octane spirit of GT Radial.

This Proving Ground tour went beyond technical validations; it was a powerful reassurance to our distributors of GT Radial's

dedication to excellence — from rigorous R&D to delivering an unparalleled driving experience. As GT Radial continues to innovate and expand its horizons, partnerships like these are pivotal in steering towards a future where quality and performance go hand in hand.

GT RADIAL AMPLIFIES THE COMMUNITY SPIRIT AT TYCI BOWLING CHAMPIONSHIP

An Uplifting Fusion of Sports and Solidarity

GT Radial revved up the community spirit as the proud supporter of the vibrant Toyota Yaris Club Indonesia (TYCI) at the TYCI Bowling Championship, held at the lively Artha Gading Bowling Center. The event brought together an enthusiastic assembly of over 3,800 TYCI members from Jabodetabek and beyond, including representatives from 17 Toyota Owner Clubs. The 2023 competition was more than just a showcase of bowling prowess; it underscored TYCI's significant footprint across Indonesia, boasting a dynamic presence with thousands of members and a sprawling social media network that stands testament to its status as one of the nation's most dynamic automotive clubs.

Strengthening Bonds Through Bowling

The TYCI Bowling Championship was not just about scoring strikes; it was a celebration of unity, where members and TOC Clubs came together in a friendly yet competitive environment. The event underscored the numerous benefits associated with bowling, aligning with TYCI's dedication to promoting stress reduction, disease prevention, calorie burning, self-confidence, heart health, and general well-being among its members.

A Testament to GT Radial's Commitment

GT Radial's involvement in the TYCI Bowling Championship epitomized its commitment to community engagement and the shared passions of its members. "GT Radial's support is instrumental to the success of our events," remarked a TYCI organizer. "It's about empowering our members to enjoy sports and wellness, reflecting our collective enthusiasm for both the automotive lifestyle and life outside the driver's seat."

As the echoes of cheering and high-fives fade, anticipation for the next year's event is already mounting. GT Radial and TYCI continue their journey together, steering towards a future where quality time and shared interests forge lasting bonds. Stay connected and follow the excitement of this and future events by visiting @yarisclub_indo and exploring GT Radial's activities @gtradial.

GT RADIAL AND SDCI CHAMPION DEFENSIVE DRIVING STANDARDS WITH THE STATE SECRETARIAT OF INDONESIA

GT Radial, in partnership with SDCI (Indonesian Safety & Defensive Consultants), reinforces its commitment to road safety through the Safety & Defensive Driving Ministry of the State Secretariat of the Republic of Indonesia 2023.

This initiative, part of the Ministry of State Secretariat's annual activities, took place on October 5th and 6th, 2023. The Advanced Driving Training program, designed to elevate driving competencies, aligns with the ministry's dedication to enhancing the skills of its personnel.

The training, attended by 24 individuals, was divided into two comprehensive sessions. The theoretical component unfolded within the State Secretariat's training facility, with expert insights provided by SDCI. The practical application followed on the next day, conducted in a designated outdoor training area. Here, participants engaged in exercises aimed at fostering a culture of safe and responsible driving, not just for themselves but also for passengers and fellow road users.

GT Radial's unwavering support for driver education and safety seminars underscores its commitment to cultivating a heightened sense of road safety awareness amongst drivers. It's hoped that these efforts will serve as both a standard and inspiration for driver safety nationwide.
