GT RADIAL DRIFTER, ALLEN YONG SET TO IMPRESS AT PERTAMINA FASTRON ELITE SHOWCASE 2023

After a three-year hiatus, the highly anticipated Pertamina Fastron Elite Showcase returned on February 4-5, 2023, drawing car enthusiasts from all over to Hall 9-10 at the Indonesia Convention Center (ICE) in BSD, Tangerang. Over 275 modified cars and 32 tenants were in attendance, making it a must-see event for fans of the automotive industry.

Among the impressive lineup of cars was the Nissan Silvia S14 drift-car, showcased by GT Radial drifter Allen Yong. Powered by a 2JZ GTE engine and equipped with GT Radial Champiro SX2 tires, Yong's performance wowed the crowds and showcased the remarkable capabilities of both the car and the tires. GT Radial provided full support for Yong's participation in the event, highlighting the brand's commitment to innovation and excellence in the automotive industry.

GT RADIAL'S DRIFT SQUAD STEALS THE SHOW AT IDC KEMAYORAN NATIONAL CHAMPIONSHIP WITH IMPRESSIVE PERFORMANCES

The Indonesian Drift Championship (IDC) 2023, took place at the JIExpo Kemayoran circuit in Central Jakarta from 24-26 February 2023. This highly anticipated event brought together the country's top drifters, including several from GT Radial.

Emmanuelle Amandio, an international GT Radial drifter, was a standout performer, winning 1st place in the Pro 1 class National Championship and 3rd place in the general class. Meanwhile, GT Radial drifter Billy Anjewa took 1st place in the general class, and Rendy Hibbrizi also participated in both the Pro 1 and general classes.

All three GT Radial drifters used the best competition tires available, the GT Radial SX2 and GT Radial SX-R. GT Radial showed full support for these exceptional drivers by providing them with a GT Radial tire changing service truck and technical assistance, further demonstrating the brand's commitment to excellence in the automotive industry.

The event was a thrilling spectacle, showcasing the precision driving and expert control of these talented drifters. Overall, it was a remarkable display of skill and determination, and GT Radial is proud to have been a part of it. With such impressive performances, it's clear that the future of drifting in Indonesia is in very capable hands.

GT RADIAL SUPPORTS CAR COMMUNITY ACTIVITIES

GT Radial is dedicated to fostering positive relationships with automotive communities in Indonesia, and one way we show our support is by sponsoring several events throughout the year. This February, GT Radial is proud to support the Bekasi Raya Car Community (Bekray) as they hold their Second General Conference on February 19th at Blu Plaza, Bekasi.

GT Radial was also honored to sponsor the FORCI National Working Meeting on February 25th in Jakarta, hosted by the Fortuner Owners Club Indonesia (FORCI). Through these partnerships, GT Radial aims to strengthen its ties with the car community and demonstrate its commitment to supporting their positive activities.
