EMMANUEL AMANDIO NEW GT RADIAL TEAM DRIFTER

After last April GT Radial has provided a little bit about the newest drifter that will join with GT Radial Drifting team and earn a lot positive responses and questions, finally GT Radial has been Introducing Emmanuel Amandio, as the new drifter who will join and strengthen the GT Radial Drifting team Indonesia. Emanuel Amandio is a driver who has often make Indonesia proud and give various achievements in both national and international racing events international.

Keep on supporting the GT Radial Drifting Indonesia team!

GT RADIAL COLLABORATION WITH DAIHATSU ROCKY

This event consists of a sharing session represented by Ben Faqih as People Development Dept. Head of PT ADM and Eko Surpiyatin as Product Marketing Manager of PT Gajah Tunggal Tbk.

This collaboration event between GT Radial and Daihatsu invited representatives of 18 Daihatsu Club Friends who is one of the representative customers of Indonesian people and have implemented standards strict health protocol.

GT RADIAL COLLABORATION WITH DAIHATSU ROCKY

GT Radial collaborates with Daihatsu Rocky which has officially launched in Indonesia on April 30, 2021 ago, with become OEM tires through GT Radial Champiro Ecotec.

This certainly attracts the attention of consumers, especially Friends of the Daihatsu car club. To answer people's curiosity, Daihatsu invited Club friends to get acquainted more closely with GT Radial and Daihatsu Rocky on May 6, 2021, through the GT Radial × Daihatsu Rocky event which took place at Seseputh Kopi, Central Jakarta.
