SAFETY MANEUVER TALK WITH ASTRA DAIHATSU MOTOR

GT Radial in collaboration with PT Astra Daihatsu Motor held an event entitled "Collect Fun Safety Manuever" which was held on Saturday, October 16, 2021 at 19.00 - 20.00 online via IG Live@DAIHATSUIND. This event discusses the discussion about safety while on the road.

This event managed to get a positive response from the participating communities and also closed with a quiz program to make it more interesting. GT Radial and PT Astra Daihatsu Motor hope that this event will continue to be carried out in the future.

ALINKA HARDIANTI WINS 2ND POSITION IN THE 2021 INDONESIA DRIFT SERIES NATIONAL CHAMPIONSHIP

Alinka Hardianti won the 2nd place in the Pro class of the Indonesian Drift Series (IDS) National Championship which was held at the J99Maxx Drift Circuit, Lippo Village Karawaci, Tangerang, Saturday - Sunday, 23-24 October 2021.

This event was held by implementing strict health protocols in accordance with the provisions of the Covid Task Force, namely the Regent of Tangerang Zaki Ahmed Iskandar who is also a racer. This IDS excitement was carried out without an audience or through J99XA Media's live streaming which was watched by up to 11,000 people from all over the world. Alinka Hardianti is the only female drifter in Indonesia who can compete with her competitors, the majority of whom are male.

GT RADIAL SUPPORTS SAFETY DRIVING EVENT BY TOYOTA CALYA INDONESIA COMMUNITY

GT Radial supports the implementation of the Safety Driving Fun Chat event on Sunday, October 17, 2021 at Sesepuh Kopi, South Jakarta, which discusses car accidents that have often occurred recently. All those present at this event are required to follow applicable health protocols such as washing hands, wearing masks, and also maintaining social distance.

This event is held in a hybrid manner, namely offline and online. Offline, the Fun Safety Driving Chat was attended by as many as 20 members of Toyota Calya Indonesia, and online was broadcast live streaming via Instagram. In this 120 minute event, Sony Susmana, as a Senior Instructor from SDCI (Safety Defensive Consultant Indonesia) as a resource person, invited the entire KTCI community and also the audience to drive safely and pay attention to things that could trigger a car accident.

GT RADIAL SUPPORTS SAFETY DRIVING EVENT BY TOYOTA FORTUNER COMMUNITY (ID42NER)

GT Radial supports the implementation of the Safety Driving Fun Chat event on Sunday, October 23, 2021 at Sesepeh Kopi, South Jakarta, which discusses car accidents that often occur recently. All those present at this event are required to follow applicable health protocols such as washing hands, wearing masks, and also maintaining social distance.

This event is held in a hybrid manner, namely offline and online. Offline, the Fun Safety Driving Chat was attended by as many as 20 Toyota Fortuner (ID42NER) members, and online was broadcast live streaming via Instagram. In this 120-minute event, Sony Susmana, as the Senior Instructor from SDCI (Safety Defensive Consultant Indonesia) as a resource person, invited the entire ID42NER community and also the audience to drive safely and pay attention to things that could trigger a car accident.
