Uya Kuya Entrusted  
GT Radial on his Favorite Car

One of Indonesian popular celebrity named Uya Kuya entrusted GT Radial to modify his most favourite classic car - Toyota Celica TA60 Gen 3 to use GT Radial GTX Pro R15.

According to him, GT Radial tires are available in various selections for classic car enthusiasts of the 1980s until 2000s and can improve on to sporty look.

This new classic impression posted by Uya Kuya to his Personal Instagram "king\_uyakuya who has over 2 million followers. The post has been receiving numerous positive responses from his followers of 3,324 likes.
